

# Agenda of Workshop on Advances in Wireless Communications 2013 (WAWC'13)

Date, Time	Event	
	<b>Contact Information:</b> Nan Liu National Mobile Communications Research Laboratory Southeast University Sipailou #2 Nanjing 210096, China Fax: 86-15105190478 Email: nanliu@seu.edu.cn	
	<b>Invited speakers:</b> Dr. Jack Winters                      jackwinters2@verizon.net Dr. Justin Chuang                      justinchuang@astri.org Prof. Victor O.K. Li                      vli@eee.hku.hk Prof. Hamid Aghvami                      hamid.aghvami@kcl.ac.uk Prof. Luis Correia                      luis.correia@inov.pt Prof. Branka Vucetic                      branka.vucetic@sydney.edu.au	
July 1, 2013	Monday	
8:30 – 8:40	Opening speeches by Prof. Xiaohu You	Yifu Reporting Hall at LiuYuan Hotel
8:40 – 9:30	Presentation given by Prof. Luis Correia (IST/INOV-INESC –Technical University of Lisbon, Lisbon, Portugal) <i>Title: A Perspective of the Networks of the Future and Smart            Cities</i>	
9:30 – 10:20	Presentation given by Prof. Hamid Aghvami (King’s College, London, UK) <i>Title: Internet of Things (IoT)- Opportunities and Challenges</i>	
10:20 – 10:40	Coffee break	
10:40 – 11:30	Presentation given by Prof. Branka Vucetic (University of Sydney, Sydney, Australia) <i>Title: High Speed Wireless Communication in the E-Band</i>	
11:30 – 12:20	Presentation given by Dr. Jack Winters (Jack Winters Communications, LLC, Middletown, NJ, USA) <i>Title: Techniques for Higher Wireless Data Rates</i>	
12:20 – 14:00	Lunch	
14:00 – 14:50	Presentation given by Dr Justin Chuang (Hong Kong Applied Science and Technology Research Institute Company Limited (ASTRI), Hong Kong, China) <i>Title: Wireless Technology Trends: Opportunities and            Challenges-ASTRI to catalyze Hong Kong as a global leader in            new technology development and productization through            collaborations</i>	

14:50 – 15:40	Presentation given by Prof. Victor O.K. Li (The University of Hong Kong, Hong Kong, China) <i>Title: Can Information and Communication Technologies Save the Environment?</i>	
15:40 – 15:50	Closing remarks by Prof. Fu-Chun Zheng	
15:50 – 16:20	Coffee break	
16:20 – 17:45	Student posters, more coffee, and networking	Yifu Hall at Liuyuan Hotel
